

# Something on your mind?

Talk to a dedicated therapist at home or on the go

With Talkspace online therapy, you can regularly communicate with a therapist, safely and securely from your phone or desktop. No in-person office visit required. Therapy is available for individuals age **13 or older**. Psychiatry services are provided for those age **18 and above**.

## Here's how Talkspace can fit your life

With Talkspace, you can talk to a therapist no matter where you are.

- Support for anxiety, depression, PTSD, substance use disorders, eating disorders, compulsive disorders and other conditions
- Specialized clinicians deliver services across all 50 states and are matched to members based on location, needs and preferences
- Find a therapist with an online matching tool
- Start therapy within hours of choosing your therapist
- Choose real-time, face-to-face video visits by appointment
- Those age 18 and older can also access Talkspace Psychiatry to schedule live video sessions with a psychiatrist who can help create a tailored treatment plan

### Multi-channel access:

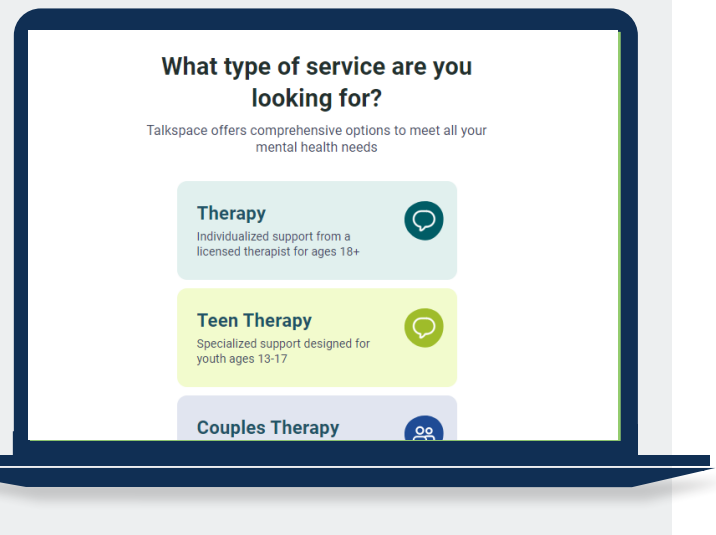

- iOS
- Android
- Desktop
- Voice
- Video
